What is EQAVET?
EU cooperation in VET

- Copenhagen Process
- Bruges Communiqué in 2010 and the 2010-20 short term deliverables
- Riga Conclusions in 2015 and the 2015-20 short term deliverables
- New Skills Agenda in 2016 with a focus on employability
- The 2017 Recommendation on Quality and Effective Apprenticeships
- The 2017 Recommendation on VET and HE graduate tracking
- The 2017 European Pillar of Social Rights
Why support the quality assurance of VET?

- **Increase transparency & mobility**
  - More efficient VET for the labour market
  - More attractive VET for learners

- **More effective and better VET**
  - Respond to society’s needs and social inclusion

- **European cooperation in VET**
  - Mutual learning and consensus building
  - Support QA at national/regional level
