 - **school autonomy included in the Constitution**
- **substantial modification of framework and nature of legislative decision of the state: from administrative norms to general principles**

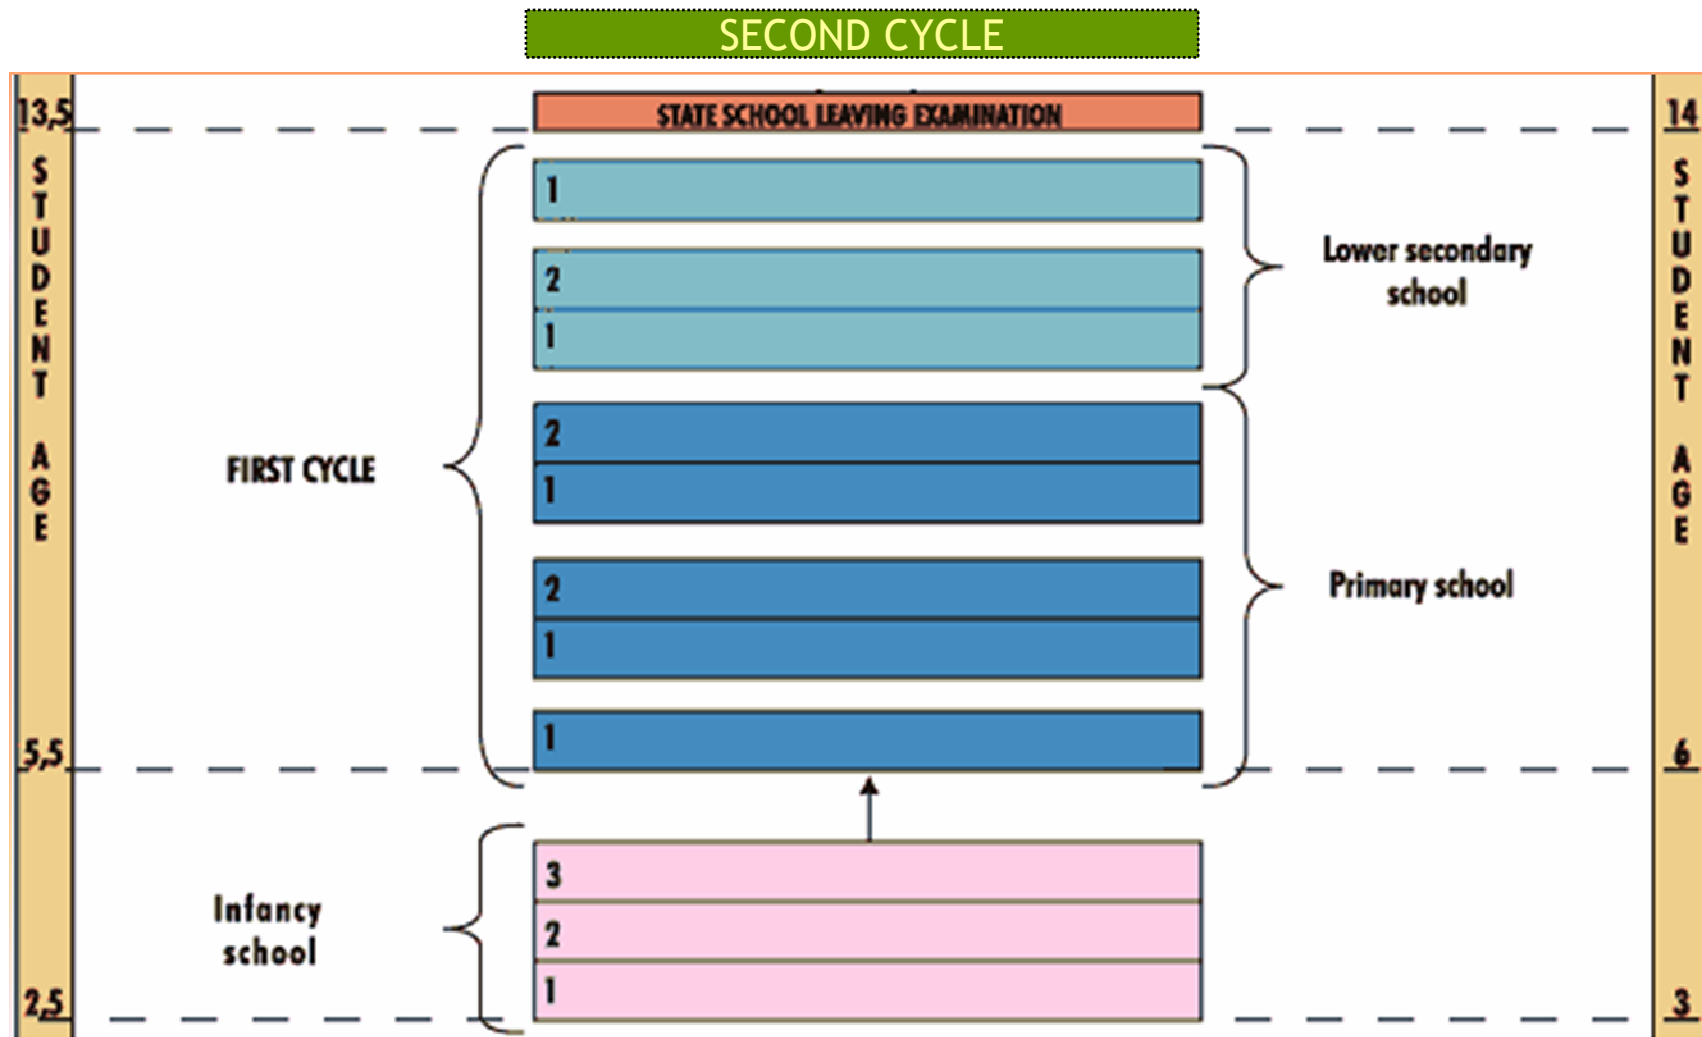

Centro per la Cooperazione
Euromediterranea

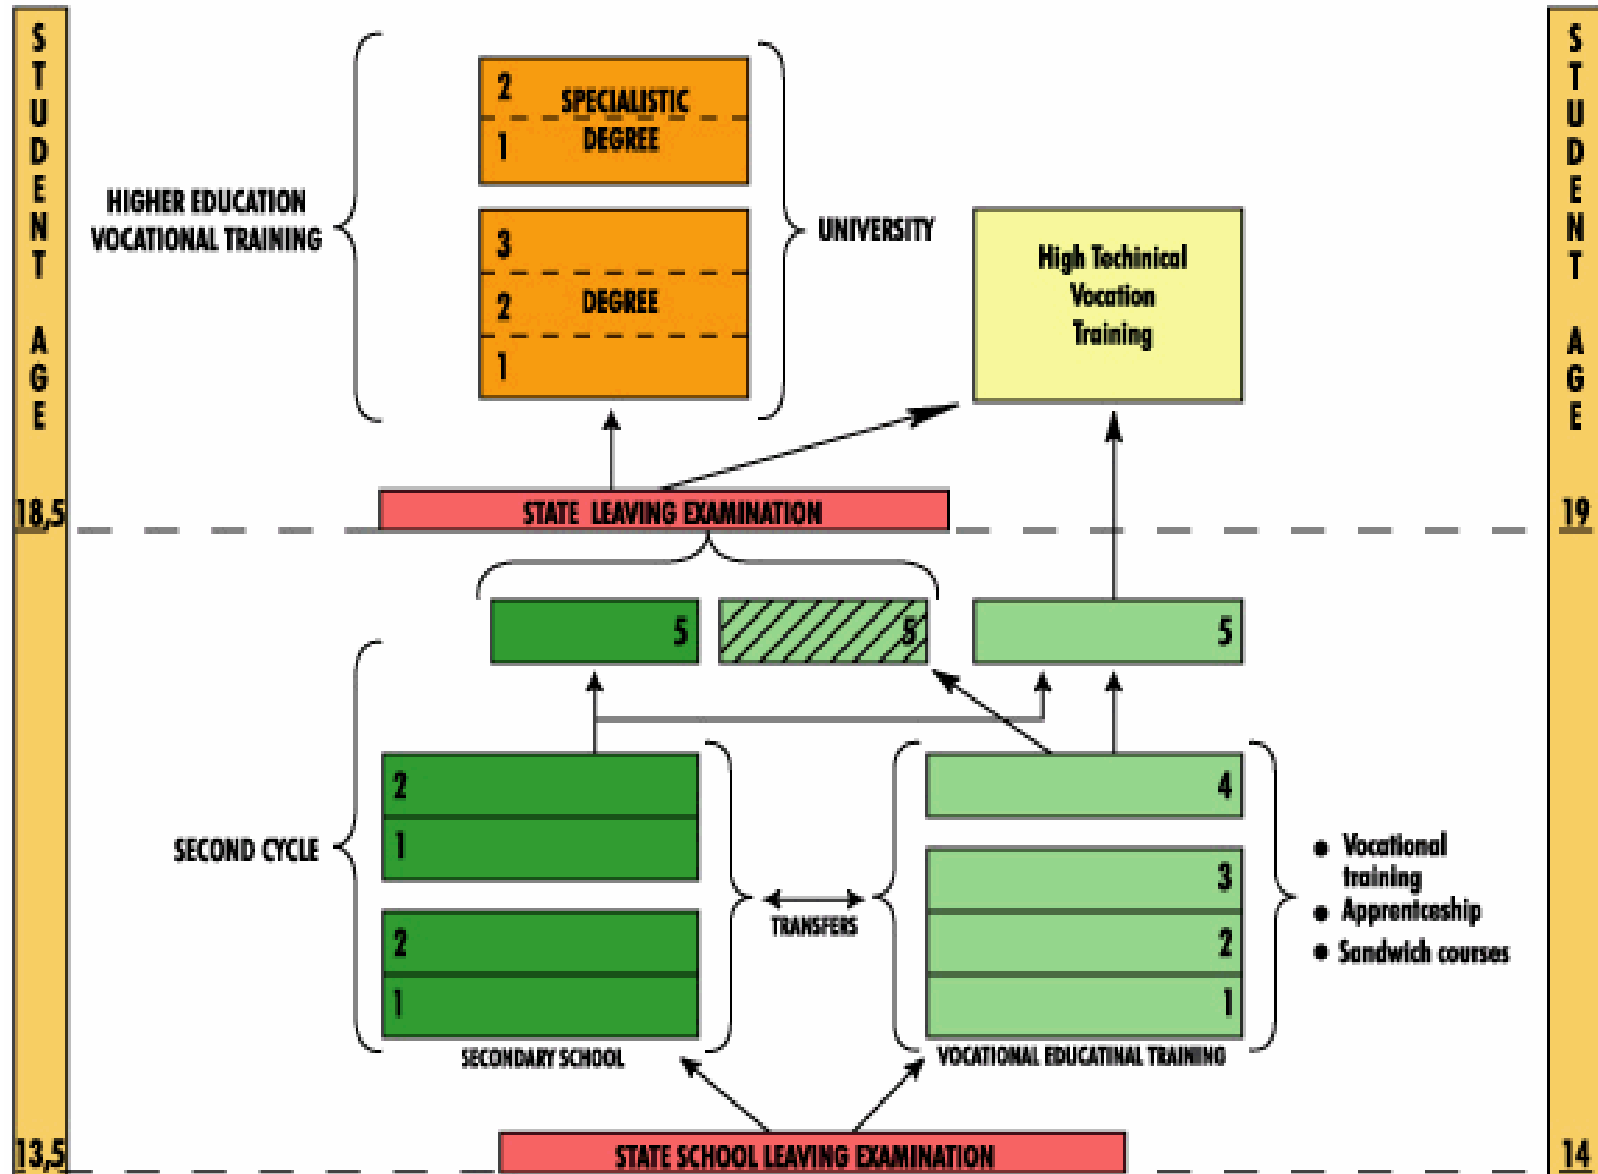

Complexity as a resource

- **The new school of the Republic implies:**
 - **more national policies (University and Research, Economics, Labour and Welfare, Productive Activities, Technological Innovations)**
 - **regional and local policies**
 - **policies of single school institutions (Educational Offer Plan - POF)**
 - **policies of local networks (horizontal subsidiarity)**

FIRST CYCLE

Centro per la Cooperazione
Euromediterranea

Thank you!
