**Don't fall for the dominant
discourse, use the right maps**

**Get serious about high-quality
initial education and training**

**Build institutions that foster
employability and guarantee
secure transitions – for
everyone**

**Translate employment
standards and social protection
into the digital age**

**Tackle income and wealth
inequality via tax, transfer,
ownership**

Re-invent the state as lead investor, go for mission-oriented innovation

**Mind the regional gap, make
regional development great
again**

**Envision a good working
society that includes all forms
of work**
